

RENAISSANCE ACADEMY

* FIELD TRIP * FIELD TRIP * 6-7 Notre Dame * FIELD TRIP * FIELD TRIP *

Dear Parents & Guardians,

It's Move- Up Week! We have many special trips and activities planned for R students, with a special focus on helping the oldest students in each level – Kindergarten, 3rd, 6th, 8th – feel ready for smooth transitions to next year.

So.. on Tuesday, May 21, the Renaissance Academy 6th-7th graders will be going to Notre Dame campus in South Bend for Ice Skating at The Compton Family Ice Arena and an art tour and project at The Raclin Murphy Museum of Art (experiences with significant, original works of art are intended to stimulate inquiry, dialogue, and wonder.) What an awesome day of physical and visual exploration while building connections with classmates!

Students wear regular school uniforms **with long pants and high socks to protect their feet under the skates. Socks are required!** Students should also bring a fully disposable sack lunch .

Students will be riding a bus departing from the school at 9:30 am, The students will return to school for regular pick up time.

Parents chaperones may join the trip. Please let us know right away if you would like to come and you will meet the group in front of Compton Ice Arena at 10:30 AM Central Time where theyll have lunch before skating. We are looking forward to a fabulous learning day!

When: Tuesday, May 21, 2024

Where: Notre Dame Campus, South Bend

Dress: Regular uniform, - covered legs, high socks required

Bring: Fully disposable sack lunch .

SOUTH BEND TRIP PERMISSION SLIP

Chaperone Policy

Field trip chaperones serve an important role as guides and supervisors during our educational outings. As a chaperone, please set aside distractions and engage with the group and the experience. With this in mind, younger children or siblings from other classes are not welcome on field trips. Only one adult per family is allowed to chaperone. When transporting students, chaperone drivers are expected to avoid distractions, follow all laws, and drive safely.

Chaperones are leaders and role models on field trips. Chaperones are expected to set good examples, follow all rules and expectations, as well as the field trip plan and directions of the teacher / leader; smoking or vaping, is totally prohibited.

Chaperones are generally assigned specific students to have in their supervision, and sometimes given specific activities to do. Still, we always need every chaperone to help keep an eye out and jump in when necessary to direct any student. As we teach at school - be an upstander, and if you see something, say something. An important part of field trips is the process of students learning how to behave appropriately, be polite and respectful, pay attention, learn from their surroundings, and interact with the world. Sometimes parents feel it's difficult to correct another person's child, or even their own, in front of their friends, teacher or another adult, but we need your help upholding our high standards for student behavior and keeping all R children safe. It takes a village!

We appreciate your help. Together, we make a great team. Thank you, chaperones!
