

*** Field Trip * Field Trip * Field Trip * Field Trip * Field Trip * Field Trip ***

Hooray - Preschool-2nd Grade students have one more 'move-up trip' this year and it is to **Bellaboo's Play and Discovery Center**, 2800 Colorado Street, Lake Station, Indiana on Wednesday, May 29, 2024

Students will explore and play in the discovery center that includes themed rooms for block play, do-it-yourself face painting, dress-up, and soft-contained-play equipment. There's also a child-sized supermarket, construction zone, and pizza parlor - areas for children to interact with others as they participate in dramatic play that stimulates intellectual growth, and a huge outdoor year with so much moe!.

With this trip including our youngest preschool students we are giving some different formats to accommodate everybody, even half day students and nappers. It is a morning field trip and parents have the option of driving straight to Bellaboos to join the group, helping as a driver/chaperone with other students, or dropping at school with a car seat for transportation in another car. Renaissance is paying for all students and will also cover the cost for any parents driving 3 or more students. We will be leaving school at 9:15 AM, Parents driving separately are invited to meet directly at Bellaboo's at 10:00 AM; the student's tickets will be prepaid and those adults can pay their own admission at the door, \$11/person.

The group will play for a couple hours and have their lunches out in the picnic shelter, students should bring a fully disposable sack lunch. Students being driven back to school will leave after lunch to get back to school around 1:00PM for the rest of the day, but parents who drive separately are welcome to return or stay at Bellaboos with children as long as desired.

Bellaboo's Field Trip Permission Slip - 5/29/24

Count us in! _____ has permission to go on the field trip, and will:

___ be dropped at school, with carseat as needed, for a ride on the trip
