Dear Parents and Guardians,

The last weeks of the school year are always an exciting time for students, and at Renaissance we make it extra special as we help students happily prepare for the year to come. **On Wednesday, May 22, during the Kindergarten “Move-Up” trip, the Preschool students will have their own special end of the year field trip to - Washington Park Zoo! Yay!**

Students will leave Renaissance at 9:30 AM and be driven in staff and parent cars to the zoo. (Car seats required.) Zoos are places where children can make discoveries, deepen interests, and connect their natural curiosity to the wider world – developing the skills needed for a lifetime of learning, and we are happy to be bringing R youngest students. Students will spend the morning exploring the zoo and then enjoy their lunch and play at the park across from the zoo.

Parents are welcome to join us as drivers / chaperones on this trip. School will cover the costs. (Zoo members please let us know so we don't overpay.)

Students will return to school after lunch for nap time and normal afternoon activities. OR, families can pick up their child/ren at the zoo playground 11:30 AM -12 noon.

We're looking forward to a great day!!

**When:** Wed, May 22, 2024, 9:30 a.m. depart from school. Afternoon Return

**Where:** Washington Park Zoo – 115 Lake Shore Dr., Michigan City

**Bring:** Car seat must be left at drop-off if not driving. Fully disposable sack lunch.
